Services News Briefs

Interactive Customer Evaluations (ICE)

Davis-Monthan has officially entered the ICE (Interactive Customer Evaluation) age. The new ICE web site allows customers to give immediate feedback to service managers about products and services. You can enter the ICE site on the Services home page at www.dmservicesonline.com or at ice.disa.mil and fill out a comment card with a click of the mouse. The system sends your suggestion, complaint or compliment to the proper service manager for action. ICE is the difference between the speed of paper and the speed of electrons! All you need is an Internet browser to access ICE from literally any computer, any time. For more information, log onto the ICE web site anytime.
